### **Private Residence Club Develops New Corporate Membership Program**

*The Teton Club Launches New Opportunity with Its Corporate Real Estate Offering*

Jackson Hole, WY – September 1, 2005 – Today the Teton Club officially announces the launch of its new Corporate Membership Program. As the premier Private Residence Club in Jackson Hole, the Teton Club is blazing a new ‘blue ocean’ with the development of a comprehensive Corporate Membership opportunity in one of the worlds most sought after resort destinations – Jackson Hole.

The current standard in Private Residence Club sales is to families and individuals looking for carefree vacation home real estate. The development of a Corporate Membership program within the framework of a Private Residence Club is a natural fit and a new model within industry. Additionally, the price of a quality Jackson Hole vacation home has sky rocketed due to the limited amount of developable land. The Teton Club’s Corporate Membership program offers luxury resort real estate for a fraction of the cost of whole ownership and a destination perfectly suited for all-inclusive company business.

The Corporate Membership Program offers resort real estate with luxurious amenities and benefits to companies who plan annual executive retreats, conduct team building events, hold sales training / continuing education seminars, provide employee incentive programs and present client appreciation gifts. And, as a real estate acquisition, the Membership is an asset in a company’s portfolio. “Our Corporate Membership program is experiencing widespread interest in its first couple of days on the market,” said Steve Michel, Project Director for the Teton Club. “We could not be more excited to deliver a new and advantageous product to our current Members, the Jackson Hole real estate buyer and the resort destination industry.”

Located in the heart of the Jackson Hole Mountain Resort and only a few miles from Grand Teton National Park, the Teton Club is central to the adventures and peacefulness Jackson Hole is famous for. The Club houses 37 exquisitely furnished residences that reflect the rich heritage of Jackson Hole. Member privileges include ski passes at the Jackson Hole Mountain

Resort and country club privileges at Teton Pines Resort and Country Club for those coveted early morning tee times. Corporate Members receive complete transferability for their ski and golf privileges, allowing *anyone* who is in residence under the corporate umbrella to enjoy Member access. The Concierge is able to arrange comprehensive business services such as conference rooms, catering, adventure-based activities, even child care.

The Teton Club is a Private Residence Club located in Jackson Hole, Wyoming providing luxury real estate on a shared ownership basis. “Teton Club Members unfailingly tell us that our service, staff and property are second to none. They truly refer to us as their home away from home, anxious for their next return,” added Mr. Michel. To contact a Corporate Membership Specialist at the Teton Club, please call 877-838-6677 or email them at [info@tetonclub.com](mailto:info@tetonclub.com)
